

# Methodological Critique of Funk (2014)

Funk, R. J. 2014. Making the most of where you are: Geography, networks, and innovation in organizations. *Academy of Management Journal*, 57(1): 193-222.

Our understanding of institutional phenomena has come a long way since Funk (2014) made the observation that organizations adopted new goals suited to existing structures instead of changing the structures that may have outlived their utility.

The rest of this article is organized as follows.

## CONCLUSION

We started out attempting to improve our understanding of the mechanisms behind the embedded agent - institutional field engagement.
